CAMPAIGN PRAYER

Dear God, you are the giver of all good things human and Divine. The people of Corpus Christi beseech your benevolence upon our Capital Campaign.

As we look to the past our hearts are full of gratitude for the faithful generosity of our ancestors. They built a holy house for your glory, the celebration of your Holy Word and Sacrament.

Today, we look to meet the needs of the People of God and the desire we have to improve this holy house for future generations. Inspire us to walk in faith as we look forward to the fulfillment of our hopes and plans.

Affirm us in the commitment we make to Know Jesus, Love like Jesus, and Live like Jesus, who gave his life as a living sacrifice for others.

May the temporal sacrifices we make today become our legacy to evangelize the future generation of Catholics within this holy house.

Give us trust in place of fear. Give joy to sharing our gifts with our parish family. Grant us the blessing of your Mercy upon our Capital Campaign.

Amen.
